

WOODVILLE 4TH OF JULY

\$4 FOR THE FOURTH

Dear Friends & Neighbors

We are excited for our 2021 Woodville 4th of July Celebration...and after this past year, we are sure that you are, too. We're not quite sure what the Celebration will look like yet...we may have to scale back a bit but it will be as close to normal as we can manage while still following any pandemic-related mandates and guidelines in place on 4th of July weekend. More details will be posted on our Facebook page (@Woodville4th) as we get closer to the event.

Once again, we are offering the opportunity for friends and family to sponsor one or more of the fireworks used in the display. If you wish to be a sponsor, please fill out the form below and send it, along with your donation, to the address below. No donation is too small but every donation is much appreciated!

Thank you for your support!

The Woodville July 4th Celebration Committee.
